CORAM: G.S. PATEL, J
(Through Video Conference)
DATED: 19th October 2020

PC:-

1. Heard through video conferencing.

2. This Application more or less allows itself. The only prayer sought is for a direction to the Prothonotary and Senior Master to transfer the cash security furnished in the present arbitration proceedings to the credit of Commercial Execution Application No. 1310 of 2019 filed in this very Court and to keep that security alive for

the benefit of that Commercial Execution Application until its final disposal.

3. The Respondent seeks time to file a Reply. I cannot possibly see what reply there can be. I am not directing payment to the Applicant but I am only directing an administrative change to show that the security is now to the credit of the Commercial Execution Application.

4. There can be no conceivable objection to the Interim Application. It is made absolute in terms of prayer clause (a).

5. This order will be digitally signed by the Private Secretary of this Court. All concerned will act on production by fax or email of a digitally signed copy of this order.
