DATE : 18 FEBRUARY 2020.

P.C. :-

Learned Additional Government Pleader at the outset raised a preliminary objection that the relief sought for by the Petitioner is arising out of service and the Petitioner will have to first approach the Maharashtra Administrative Tribunal. This preliminary objection is correct.

2. The Writ Petition is accordingly disposed of. It is always open to the Petitioner like any other litigant to approach the Tribunal and the application if so filed, will be decided as per law.
