2. I passed an order on 21st September 2020. The Arbitration Petition was disposed of along with a Section 14 Petition filed by the Respondents.

3. It seems that before the Arbitral Tribunal, the Respondents have on Affidavit sought to contend that all previous ad-interim and interim orders passed by this Court in Section 9 Petition are “impliedly vacated”.

4. That is entirely incorrect. There was no such order, nor any such intention. If a previous order is to stand vacated, the final order will say so.

5. All previous ad-interim and interim order/s are to be held to have continued without interruption and will continue pending the disposal of the Section 17 Application before the learned sole Arbitrator.

6. Both applications for speaking to the minutes are disposed of in these terms. There will be no order as to costs.

7. This order will be digitally signed by the Private Secretary of this Court. All concerned will act on production of a digitally signed copy of this order.
