CORAM : A.S.CHANDURKAR AND VINAY JOSHI, JJ.

DATED : FEBRUARY 24, 2020.

In these writ petitions the petitioners had prayed that the students taking education in their Institutions be permitted to appear for the 12th Standard Higher Secondary Examination by accepting their forms. It appears that the petitioners could not submit the examination forms of the students in view of the fact that they were not issued the index number by the Director, Education. Consequently, the Maharashtra State Secondary and High Secondary Board did not accept the examination forms.

2. On 22.02.2008 after hearing all the sides, this Court has recorded that the Management was not at fault for the delay in submitting the examination forms on account of the pendency of certain proceedings before the Hon'ble Supreme Court. There was a delay in completing the process. Thereafter, by an order dated 25.02.2008, this Court directed the Board to accept the examination forms on payment of Rs. 1000/- from each student towards late fee. Accordingly, by paying the aforesaid amount, the examination forms were accepted. It is now informed that all students have since passed the said examination and have also left the concerned Institutions. We find that with passage of time of more than 10 years, it would not be equitable to direct the petitioners to pay further amount of late fee as stated in the reply filed on behalf of the Board. Hence in the light of the orders dated 22.02.2020 and 25.02.2008, writ petitions are disposed of by confirming the said interim orders.

3. Rule made absolute in aforesaid terms. No costs.
