We find from the averments made in the writ
petition that the same has been filed by an Association
through its President. Prayer (i) in the writ petition reads
as under :

*“(i) To issue appropriate writ, order or directions to the
effect that the alleged provisions of law are not at all applicable
to the petitioner being a mere transporter of goods.”*

In the writ petition reference is made to the alleged
incident dated 07/05/2020. We have perused the reply
filed on behalf of the respondents.

We find that relief of a general nature has been prayed for in this writ petition. Such relief cannot be granted without examining individual grievances if any.

In that view of the matter by granting liberty to the members of the Association to espouse their grievances if any in their individual capacity and by keeping all points open, the writ petition is disposed of.

This order be communicated to the counsel appearing for the parties, either on the email address or on WhatsApp or by such other mode, as is permissible in law.
