Dated this the 8th day of September 2020

These are applications seeking anticipatory bail filed under Section 438 Cr.PC.

2. Applicant is the 13th accused in Crime Nos.108 of 2018, 552, 561, 571, 572, 575, 579, 584, 595, 600, 603, 617, 681, 746, 747, 750, 768, 769, 782, 792, 794, 796, 801, 816, 817, 551, 553, 554, 558, 564, 565, 566, 567, 569, 576, 583, 586, 592, 593, 594, 605, 784, 795, 574, 588, 606, 555, 602, 751, 587, 745, 793, 607, 611, 609, 622, 598 & 616 of 2017, 750 of 2016, 43 of 2018, 763 & 783 of 2017, 29 of 2018, 573, 589, 599, 585 of 2017, 74 & 75 of 2018 and 601 of 2017, respectively, of Tirur Police Station for having allegedly committed offences punishable under Section 420 IPC read with Section 34 IPC.

3. The prosecution case is almost similar in all the crimes, which indicates that the first accused as the Managing Director of a Company named M/s. Accomplish

Marketing Pvt. Ltd., started another Company by name Thunjath Jewellery at Tirur and accused Nos.2 to 15, including the applicant herein who is the 13th accused, were made its directors. The Company came up with various schemes attracting customers to invest money and promised substantial profits by way of interest, dividend and gift in the form of gold, and thus dishonestly inducing the customers to join the schemes. They collected huge sums of money. No dividend, gift or profit as promised was however paid to those who joined the scheme, and they were all cheated and deprived of their money. Altogether 70 cases were registered and a total of Rs.30 crores were involved in the cheating by the Company. The applicant who is the 13th accused submits that he is an autorickshaw driver. He too

was enamoured by the first accused and induced to join as a director of the Company, believing that he would be getting huge profits. But he too did not get anything by way of profits nor did he get a share in the alleged loot by the Company. He still continues to be an autorickshaw driver having a hand-to-mouth existence. He states that he too is actually a victim of the acts done by the first accused, and therefore, he seeks anticipatory bail in all these cases in which he has been implicated as the 13th accused. The prime accused, accused No.1, and some others were arrested and after incarceration/detention for a long period, they were all released on regular bail. Accused Nos.11, 12, 16 and 17 were granted anticipatory bail. Accused Nos.11 & 12 are similarly placed as the applicant herein. The

applicant submits that he is willing to cooperate with the investigation and custodial interrogation may not essential, and therefore, he may be released on anticipatory bail.

4. This Court had considered the anticipatory bail applications of accused Nos.11, 12, 16 and 17 and granted them anticipatory bail. I find that the applicant also is similarly situated and there is no necessity for his incarceration or custodial interrogation as long as he is willing to cooperate with the investigation. There is also no possibility of his absconding.

5. The learned Public Prosecutor has opposed the applications for bail vehemently by stating that huge sums of money were looted from the public and hence, they would not get any justice in case the applicant is released on bail.

The fact remains that almost all the other accused have been released on bail and therefore, detention of the applicant alone may not serve any purpose to advance the investigation.

In the result, these bail applications are allowed and the applicant is directed to surrender before the investigating officer within two weeks, and in the event of his being arrested, he shall be released on bail on the execution of bonds for Rs.1,00,000/- (Rupees one lakh only) each in each of the cases, with two solvent sureties each, for the like amount to the satisfaction of the investigating officer, and on the following further conditions:

(i) He shall appear before the investigating

officer on all Mondays between 9 a.m. and 12 noon for a period of two months or until the filing of the final report, whichever is earlier.

(ii) He shall not tamper with evidence or intimidate or influence the witnesses.

(iii) He shall not get involved in any similar offence during the currency of the bail.

In case of breach of any of the above bail conditions, the prosecution is at liberty to approach the jurisdictional court for cancellation of the bail.
