O R D E R

The writ petition has been filed challenging the punishment of reduction of pay for a period of one year with cumulative effect.

2. This writ petition was admitted earlier and notice was issued to the respondents.

3. Today, when the matter is taken up for hearing, Mr. Karthik Raja, learned counsel appearing for the respondents would submit that subsequent to the filing of the writ petition, the petitioner was dismissed from the service, by an order dated 04.06.2018, in respect of another charge and he has not challenged the said order of dismissal so far. Hence, nothing remains to adjudicate in the present writ petition.

4. The learned counsel for the petitioner is also not in a position to dispute the fact that the petitioner was dismissed from the service.

5. Considering the fact that as already the petitioner was removed from service in the year 2018 and the order is also not challenged so far, nothing survives for further adjudication in the writ petition.

6. Accordingly, the Writ Petition is dismissed. No costs.
