ORDER

[Order of the Court was made by M.M.SUNDRESH, J.]

The petitioner is the detenu. The detenu has been detained by the second respondent by his order in Memo Cr.M.P.No.06/Drug Offender/2020 dated 09.03.2020 holding him to be a "DRUG OFFENDER", as contemplated under Section 2(e) of Tamil Nadu Act 14 of 1982. The said order is under challenge in this Habeas Corpus Petition.

2. We have heard the learned counsel appearing for the petitioner and the learned Additional Public Prosecutor appearing for the respondents and we have also perused the records carefully.

3. When the matter is taken up for hearing, learned Additional Public Prosecutor appearing for the State submitted that the detenu along with his accomplices, without the prescription of doctor, purchased pain killing tablets, mixed them with normal saline water, injected through syringe to the body of school and college going students and caused intoxication to them. The amount collected was used by the detenu and his accomplices for consuming liquor. If the tablet is mixed with normal saline water and injected into the human bodies continuously, there is a possibility of danger to the health and human life. Considering the same, in a similar case in H.C.P.No.645 of 2020 filed on behalf of the co-detenu, this Court, by order dated 01.10.2020, dismissed the petition.

4. In such view of the matter, this habeas corpus petition is dismissed.
