ORDER

This Writ Petition has been filed for the issue of Writ of Mandamus directing the respondents 2 and 3 to survey the subject property, based on the representation given by the petitioner on 20.08.2020.

2.Mr.S.N.Parthasarathy, learned Government Advocate appearing on behalf of the respondents 1 to 4 submitted that pursuant to the application submitted by the petitioner, a survey was conducted by the third respondent on 10.08.2020 and the property was measured and boundary stones were laid. The learned Government Advocate therefore submitted that nothing survives in this

Writ Petition.

3.The learned counsel for the petitioner submitted that he wants to fence the subject property and he wants to do it in the presence of the second and third respondents.

4.In the considered view of this Court, the respondents have already completed their work by surveying the property and identifying the boundaries. If the petitioner wants to fence the property, it is the lookout of the petitioner and he cannot expect the revenue authorities to come and assist in doing the said work. Immediately after the survey was conducted, the work of the department is over and it is for the petitioner to get the property fenced.

5.In view of the above, no further order is necessary. Accordingly, this Writ Petition is disposed of. No costs.
