ORDER

This Writ petition has been filed for the issue of Writ of Mandamus directing the 1st respondent to consider the representation made by the petitioner on 23.3.2020 and determine the compensation payable to him.

2. The case of the petitioner is that the respondents 2 to 4 have drawn over head transmission line over the property belonging to the petitioner and till date, no compensation has been paid.

3. Mr.S.N.Parthasarathy, learned Govt. Advocate appearing on behalf of the 1st respondent circulated the letter of the 1st respondent dated 27.10.2020 which was addressed to the 3rd respondent. It is seen from this letter that the compensation has been fixed for all those persons who had claimed for such a compensation and the petitioner has been allotted a compensation of a sum of Rs.3,39,295/-.

4. The learned counsel for the petitioner submitted that the petitioner did not receive any communication from the respondents in this regard and therefore he is not aware about the compensation that was fixed by the 1st respondent.

5. The learned Govt. Advocate was requested to serve a copy of the letter of the 1st respondent dated 27.10.2020 to the learned counsel for the petitioner. Accordingly, the same was done and it is evident from this letter that the compensation has already been fixed by the 1st respondent.

6. In view of the above, no further orders can be passed in this Writ petition except recording the submissions made by the learned Govt. Advocate and also the letter of the 1st respondent dated 27.10.2020. It is left open to the petitioner to approach the 3rd respondent and receive the compensation amount.

7. This Writ Petition is disposed of accordingly.
No costs.
