I heard Mr.M.Purushothaman, the learned counsel for the petitioner. Mr.C.Munusamy, Special Government Pleader, took notice for the first respondent, and Mr.Abdul Saleem, the learned counsel took notice for the second respondent. By consent, the writ petition was taken up for disposal at the admission stage.

2. The learned counsel for the petitioner pointed out that the subject matter of this writ petition is covered by earlier orders of this Court. In particular, he referred to the order dated 17.10.2019 in WP(MD)No.20726 of 2019 and the more recent order dated 04.11.2020 in W.P.No.15222 of 2020 in respect of the same school.

3. The learned counsel for the second respondent also concurs that this matter is covered by the earlier orders.

4. Upon perusal of the aforesaid orders and on examining the documents on record, I find that the school has neither a statutory nor contractual lien over these certificates. Accordingly, this writ petition is disposed of by directing the second respondent School to hand over the transfer certificate, marks statements, conduct and other certificates to the student concerned within one week from the date of receipt of a copy of this order. As regards arrears of fees, if any, the School is entitled to initiate separate proceedings in respect thereof against the parents of the student. It is also made clear that the arrears of fees should not be indicated on any of the certificates that are handed over to the student. However, it is open to the School to hand over or send a separate communication pertaining to such arrears of fees to the parents of the student concerned. No costs.
