ORDER

(Order of the Court was made by M.M.SUNDRESH, J.)

The petitioner herein has come forward to file this writ petition based upon the allegation that indiscriminate quarrying operation is taking place illegally by the seventh respondent with the connivance of the other respondents.

2.In the counter affidavit filed by the first respondent, it has been stated in paragraph 3 that permission has been given to remove 3000 cbm of savudu from patta land. In paragraph 9, it has been further stated that on perusal of the records of Assistant Director, Geology and Mining, that six trip sheets for a total quantity of 3000 cbm savudu has been issued to the lessee.

3.If that is the case, the seventh respondent has removed all the permitted quantity. It has been reported that as of now, there is no quarrying operation that takes place. Thus, the seventh respondent has already removed the permitted extent.

4.In such view of the matter, the seventh respondent shall not indulge in any more quarrying operation as the permitted extent has already been removed by him.

5.With the above said observation, the writ petition stands disposed of making it clear that there shall not be any more quarrying operation. No costs. Consequently, the connected miscellaneous petition is closed.
