ORDER

By consent of both parties, this writ petition is taken up for final disposal at the stage of admission itself.

2. Though the petitioner has sought for issuance of writ of mandamus to revise the petitioner's pay as per the settlement u/s 12(3) of the I.D Act dated 04.01.2018, in my view, such a decision is to be taken by the respondents and in case, the petitioner is aggrieved against such any decision, it would be appropriate to approach this Court.

3. The petitioner would submit that he has already made

representation on 24.01.2020 in this regard, which is said to be pending. If the said representation is directed to be disposed of within stipulated time, the ends of justice could be secured.

4. Whenever a representation is made to a statutory authority to redress the claim of the employee, there is a duty cast upon the respondents to consider the same on its own merits and pass appropriate orders in one way or other, instead of keeping the same pending indefinitely. Such an inaction would amount to dereliction of duties and thereby this Court would be justified in invoking its extraordinary powers under Article 226 of Constitution of India and thereby direct such authority to consider the representation within the stipulated time.

5. In view of the above observations, there shall be a direction to the respondents herein to consider the petitioner's representation, dated 24.01.2020 on the basis of 12(3) settlement, on its own merits and pass appropriate orders within a period of twelve (12) weeks from the date of receipt of a copy of this order. It is made clear that this Court has not expressed any of its view with regard to the claim made by the petitioner in his representation and it is for the respondents to consider it in accordance with law.

6. With the above directions, this Writ Petition is disposed of. No costs.
