... Respondents

Prayer: This Criminal Original Petition is filed under Section 482 of Cr.P.C., to direct the 3rd respondent not to harass the petitioner, without following the due process of law.

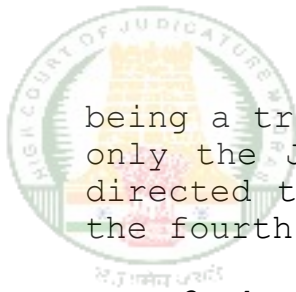

For Petitioner : Mr.R.Murugappan

For Respondents: Mr.A.Robinson
Govt. Advocate (Crl. Side) for R1 to R3

O R D E R

The petitioner alleges harassment at the hands of the second respondent.

2.When the matter was taken up for admission, the learned Government Advocate (Crl. Side) submitted that the fourth respondent had given a complaint against the petitioner and in that connection the petitioner was summoned. It appears to be a case of monetary transaction. While the fourth respondent would contend that the entire dues have not been paid, the petitioner claims that the entire amount has been settled already. I am of the view that this

being a transaction that is civil in nature, the parties should move only the Jurisdictional Civil Court. The respondents 2 and 3 are directed to not to summon the petitioner based on the complaint of the fourth respondent.

3.The criminal original petition is allowed on these terms.
