This Writ Petition has been filed praying for issuance of a Writ of Mandamus, directing the respondents 1 to 3 to provide the effective police protection to the petitioner company to erect transmission cell phone tower and to install all the telecommunication electrical and electronics equipments, OFC Cable and its maintenance work on the said BTS transmission Tower at Trichirappalli District, Manapparai Vattam, Seegampatti Village, Vadakkipatty Block No.1 in Punjay S.F.No.1/2B25 measuring 2734 Sq.feet of land. The said property is in Manapparai Panchayat Union limit, Old S.F.No.1/2B. The said property presently in Patta No.51 in S.F.No.1/2B25. [No.1/272, Bharathiyar Nagar, Manapparai, Seegggampatti, Thiagesaralai Post].

2.The case of the petitioner is that the Petitioner Company is engaged in the business of operation and maintenance of Mobile Phone towers across India for the licensed mobile phone operators/service providers on agreed terms and conditions. For the said purpose, cell phone towers are going to be erected. The petitioner had also entered into a lease agreement with the owner of the property and had taken steps to install the cell phone tower. Already, the Government of Tamil Nadu has granted exemption to all the Telecom Companies to install the cell phone towers by virtue of Government Order passed in G.O.Ms.No.2, Information Technology Department, dated 01.04.2002. When the petitioner attempted to erect the cell phone tower, the residents of the area came to the spot and started causing hindrance to the Company officials from carrying out the construction work.

3.The learned counsel appearing for the petitioner would submit that the issue involved in this petition is squarely covered by the earlier decisions rendered by this Court. The learned counsel brought to the notice of this Court the order dated 28.06.2018, passed by this Court in Crl.O.P.No.16618 of 2018, wherein the very same petitioner was a party.

4.It will be appropriate to extract below the relevant portions of the order dated 28.06.2018, made in CrI.O.P.No.16618 of 2018.

''2.The learned counsel for the petitioner would submit that the petitioner's company had the contract agreement for installation of cell phone tower with M/s.Indus Towers Limited, a company registered under the provisions of Indian Companies Act, 1956. It is further submitted by the learned counsel for the petitioner that whenever the petitioner's company attempted to erect transmission cell phone tower, publics are causing interference. The learned counsel for the petitioner also submitted that by order dated 05.03.2015, the Honourable First Bench of this Court, in W.P.Nos.24976 of 2008 and etc., batch, held that because of the advancement in the science, no one has prevented to erect cell phone towers. It is also submitted that the petitioner has given a complaint dated 24.02.2016 to the first respondent police seeking police protection, for which C.S.R.No.42 of 2016 and since the same has not been considered so far, he has come up with the present petition for the relief stated supra.

3.Heard the learned Additional Public Prosecutor appearing for the respondent.

4.Considering the facts and circumstances of the case, the petitioner is directed to send a fresh representation to the respondent and on receipt of the same, the respondent is directed to consider the representation to be submitted by the petitioner and pass appropriate orders on merits and in accordance with law, within a period of one week from the date of receipt of copy of this order.

5.With the above directions, this Criminal Original Petition is disposed of.''

5.This Court has consistently taken the view that no one can be prevented from erecting the cell phone towers on a mere apprehension about the effect of radiation from the cell phone tower. The apprehension does not have a scientific backing. Till a positive finding is given in this regard, cell phone towers cannot be prevented to be installed on mere apprehensions.

6.For the reasons stated above, there shall be a direction to the respondents 1 to 3 to provide police protection to the petitioner for erection of the cell phone tower. The respondent police shall ensure that the entire process goes on in a smooth manner, without giving raise to any law and order problem and the petitioner shall pay a cost of Rs.10,000/- (Rupees Ten Thousand only) to the respondent police, towards police protection. The 4th and 5th respondents to co-operate with respondents 1 to 3.

7.The Writ Petition is disposed of with the above direction.
No costs.
