Heard the learned counsel on either side. By consent of both parties, this writ petition is taken up for final disposal at the admission stage itself.

2.The petitioner sought permission to lay pipelines from her patta land to her own lands situated in another village. It appears that it is only the District Collector who can pass orders on the petitioner's request. The second respondent may not have any authority to do so.

3.Therefore, the order impugned in this writ petition is quashed and the matter is remitted to the file of the first
