... Respondents

**Prayer:** Writ petition is filed under Article 226 of the Constitution of India, to issue a Writ of Mandamus, to direct the first respondent herein to pass appropriate orders in the appeal dated 19.02.2019 preferred by the petitioner herein against the order No.10/2018, dated 22.11.2018 issued by the second respondent for deportation/destruction of the 62 pieces of Purple heard Round logs (141.705 CBM) and 89 pieces Mora Round Logs (164.106 CBM) totaling to 151 pieces weighing 385050 Kgs (gross weight) imported by the petitioner under Bill of Lading 965736145, dated 26.10.2018 and BE No.8793419, dated 09.11.2018 and lying at the Container Freight Station belonging to the fourth respondent at Tuticorin by exercise of the power conferred on him under Order 14 of the Plant Quarantine Regulations (Import into India) Order, 2003 issued under the Destruction Insects and Pests Act, 1914 as also considering their

subsequent representations dated 23.02.2019 and 20.02.2020 within a reasonable time.

M/s.Britto Traders, the petitioner herein had imported the petition mentioned goods. The petitioner was visited with an order to deport or destroy. The goods have been kept under the custody of the fourth respondent herein. The petitioner applied to the first respondent seeking relaxation under Order 14 of Plant Quarantine (Regulation of Import into India ) Order, 2003. The petitioner seeks disposal of the petition for relaxation.

2. When the matter was taken up for hearing, the learned Counsel appearing for the first respondent submitted that the petitioner's request had already been rejected. The learned Counsel also produced a copy of the e.mail communication also. He also stated that the fourth respondent has been served with a copy of the said communication.

3.I went through the contents of the communication that is e.mail dated 04.04.2019 addressed to the Officer in-charge, PQS, Tuticorin. It is addressed by the Deputy Director(E). The communication reads that after relaxation procedure the Department of Agriculture and Farmers' Welfare had already rejected all three relaxation cases. It is stated that as per the directions given by the competent authority, decision may be taken as per the provisions mentioned in Plant Quarantine (Regulation of Import into India ) Order, 2003.

4.I am afraid that there is no proper or formal disposal of relaxation petition under Order 14. In the first instance, it is not even addressed to the applicant. When the applicant prays for certain relaxations under statutory provision, the order dismissing the said petition must be addressed to the applicant.

5.Therefore, I am not in a position to accept the stand of the learned Standing Counsel that the petitioner's petition has been disposed. I, therefore, direct the first respondent to pass appropriate orders on the petitioner's request. Though the petitioner had styled his petition as an appeal, as admitted by the petitioner's counsel before me, the petition filed by him is only under Order 14 meant for relaxation cases and not under Order 12 meant for appeal.

6.The first respondent is directed to dispose of the matter within a period of seven days from the date of receipt of a copy of this order.

7. This writ petition is disposed of accordingly. No costs. Consequently, connected miscellaneous petition is closed.
