W.P.(MD)No.24992 of 2018 was allowed by me on 23.04.2019. Seeking review, these Review Applications have been filed.

2.When the matter was taken up for hearing, the learned counsel appearing of the review applicants pointed out that I had earlier filed a writ petition for Marahajothi. Since without being aware of this aspect, I had taken up the matter, it is only just and proper that order passed on 23.04.2019 should be set aside and it is accordingly set aside. The review applications are allowed. The Registry is directed to list the writ petition before the concerned roster Judge. It is necessary to make a mention that the counsel on either side did not bring this to my notice when I took up the writ petition for disposal. Consequently, connected miscellaneous petitions are closed.
