O R D E R

This Criminal Original Petition has been filed seeking a direction, to direct the 3rd and 4th respondents not to harass or ill-treat the petitioners and their family members in connection

with the four boundaries of the petitioner's property in Survey Nos.480/1E, 480/1E2C, on the file of the Keelarangiyan Colony, Melarangiyan Village Group, Thiruppuvanam Taluk, Sivagangai District.

2.The learned counsel appearing for the petitioners would submit that the 3rd and 4th respondents police harassed the petitioners under the guise of enquiry.

3.The learned Government Advocate (crl.side) appearing for the respondents 1 to 4, on instructions, would submit that on the complaint given by the fifth respondent petition enquiry was initiated against the petitioners and the same was pending in C.S.R.No.112 of 2020, on the file of the third respondent police.

4.Heard the learned Counsel for the petitioners and learned Government Advocate (Crl.side) for the respondents 1 to 4.

5. It is the grievance of the petitioners that the respondents 3 and 4 have been harassing them under the guise of an enquiry/investigation and hence, invoking the inherent powers of this Court under Section 482 of Cr.P.C., is necessary for protecting the rights of the petitioners.

6. An enquiry into a non cognizable offence or a cognizable offence is the unfettered powers of the Investigation Officers so long as the power to investigate/enquire into these offences are legitimately exercised within the frame work of Chapter XII of the Code of Criminal Procedure. Though the Code of Criminal Procedure empowers the Magistrate to be a guardian in all the stages of the police investigation, there is no power envisaging him to interfere with the actual investigation or the mode of investigation. It is in this background that numerous petitions complaining of harassment are being reported and filed before this Court seeking for directions to refrain the police officials from harassing the persons named in a complaint.

7. This Court, exercising its power under Section 482 of the Criminal Procedure Code normally would not interfere with the investigation conducted by a police officer. Nevertheless, it would also not turn a blind eye to instances of harassment by the police under the guise of investigation is brought to its notice.

8. In the present case in hand, the petitioners have complained of harassment by the police based on a complaint and seek for this Court's intervention by way of a direction. The term 'harassment' by itself has a very wide meaning and hence, what could be harassment to the petitioners may not be the same to the police officer.

9. In order to circumvent such situations, the following guidelines are issued:

a) While summoning any person named in the complaint or any witness to the incident complained of, the police officer shall summon such person through a written summon under Section 160 Cr.P.C., specifying a particular date and time for appearing before them for such an enquiry/investigation.

b) The third respondent police is directed to serve summons mentioning the CSR number, date of complaint and the name of the complainant.

c) The minutes of the enquiry shall be recorded in the general diary/station diary/daily diary of the police station.

d) The police officer shall refrain himself or herself from harassing persons called upon for enquiry/investigation.

e) The guidelines stipulated for preliminary enquiry or registration of FIR by the Hon'ble Supreme Court in **Lalita Kumari Vs. Government of Uttar Pradesh and others [2014 (2) SCC (1)]** shall be strictly adhered to.

10. With the above observations and direction, the Criminal Original Petition stands disposed of.
