O R D E R

This writ petition has been filed for a Mandamus to direct the respondents to release the petitioner's bullock cart seized by the fourth respondent in connection with Crime No.117 of 2019 dated 21.08.2019, on the basis of the petitioner's representation dated 14.10.2020.

2. Heard Mr.S.Deenadhayalan, learned counsel appearing for the petitioner and Mr.C.Ramesh, learned Special Government Pleader appearing for the respondents.

3. By consent of both parties, the Writ Petition is taken up for final disposal at the admission stage itself.

4. It is the case of the petitioner that he is an agriculturist and he is having a bullock cart for the purpose of carrying goods for agricultural activities. According to him, on 21.08.2019, the respondent police intercepted the petitioner and seized the bullock cart for illegal transportation of river sand and the fourth respondent police registered a case in Crime No.117 of 2019 for the offence punishable under Section 379 of IPC and 21(1) of Mines and Minerals (Development and Regulation Act), 1957. According to him, his bullock cart was seized by the fourth respondent Police on the same day. According to him, ever since the seizure, the said bullock cart is still in the custody of the fourth respondent Police and till date, no confiscation proceedings have been initiated against the seized bullock cart.

5. It is also the contention of the petitioner that the bullock cart has also not been produced by the fourth respondent Police before the concerned Jurisdictional Court. According to him, the seized bullock cart is kept idle in the Police Station premises in the open place and exposed to the vagaries of nature, resulting in the bullock cart depreciating in value.

6. According to the petitioner, he gave a representation to the second respondent on 14.10.2020 for releasing of the seized bullock cart back to him. According to him, the respondents have failed to respond to the said representation. In such circumstances, he has filed this Writ Petition seeking for release of the seized bullock cart.

7. Admittedly, the bullock cart was seized by the second respondent on 21.08.2019 and a case has been registered in Crime No.117 of 2019 for the offence punishable under Section 379 of IPC and 21(1) of Mines and Minerals (Development and Regulation Act), 1957 alleging that the petitioner has transported river sand in his bullock cart. Admittedly, the bullock cart is now in the Police Station premises and kept in the open place and exposed to the vagaries of nature and has also not been produced before the Jurisdictional Court.

8. As rightly contended by the learned counsel appearing for the petitioner, the bullock cart will certainly depreciate in value, if it is allowed to remain in the open place and kept idle for a long period of time. No useful purpose will be served if the bullock cart is allowed to be kept idle. In similar matters, this Court has granted release of seized vehicles to the respective petitioners subject to fulfillment of certain conditions. Therefore, this Court is inclined to grant similar relief to the petitioner subject to fulfillment of the following conditions:-

(i) the petitioner shall execute a bond for a sum of **Rs. 3,000/- (Rupees Three Thousand only)** in favour of the

second respondent within a period of two weeks from the date of receipt of a copy of this order;

(ii) the petitioner shall not use the bullock cart for any illegal activities;

(iii) before releasing the bullock cart, the police authority shall take photographs of the bullock cart at the cost of the petitioner; and

(iv) As and when the respondents call for the bullock cart for enquiry, the petitioner has to produce the bullock cart in question and he shall cooperate with the enquiry to be conducted by the respondents.

9. Upon completion of the above mentioned formalities, the respondents shall release the bullock cart to the petitioner forthwith and without any delay. If this undertaking given by the petitioner is breached, the petitioner will not be entitled for interim release of the bullock cart in the future.

10. The Writ Petition is disposed of accordingly. There shall be no order as to costs.
