PRAYER: Petition filed under Article 226 of the Constitution of India to issue a Writ of Mandamus, directing the respondents to release the petitioner's vehicle namely Tipper Lorry bearing Registration No.TN-55-BY-7081, Chassis No.: MEC2416BBKP061500 to the petitioner by considering the petitioner's representation dated 23.10.2020.

For Petitioner : Mr.G.Mathavan

For Respondents : Mr.M.Rajarajan
Additional Government Pleader

ORDER

This writ petition has been filed for a Mandamus seeking for a direction to the respondents to release the petitioner's vehicle namely Tipper Lorry bearing Registration No.TN-55-BY-7081 forthwith.

2. Mr.M.Rajarajan, learned Additional Government Pleader, accepts notice for the respondents. By consent of both parties, the Writ Petition is taken up for final disposal at the admission stage itself.

3. It is the case of the petitioner that he is the owner of the vehicle namely Tipper Lorry bearing Registration No.TN-55-BY-7081 and it is his only source of income. According to him, on 22.10.2020, the third respondent Police seized the vehicle and registered a case in Crime No.1453 of 2020 for the offence punishable under Section 379 IPC r/w. Section 21(1)(2), of Mines and Minerals (Development and Regulation Act), 1957 alleging that the petitioner has illegally transported river sand in his vehicle. According to him, ever since the seizure, the vehicle is still in the custody of the third respondent Police and till date, no confiscation proceedings have been initiated against the seized vehicle.

4. It is also the contention of the petitioner that the vehicle has also not been produced by the third respondent Police before the concerned Jurisdictional Court. According to him, the seized vehicle is kept idle in the Police Station premises in the open place and exposed to the vagaries of nature, resulting in the vehicle depreciating in value.

5. According to the petitioner, he gave a representation to the respondents on 23.10.2020 for releasing of the seized vehicle back to him. According to him, the respondents have failed to respond to the said representation. In such circumstances, he has filed this Writ Petition seeking for release of the seized vehicle.

6. Admittedly, the vehicle was seized by the third respondent on 22.10.2020 and a case has been registered in Crime No.1453 of 2020 for the offence punishable under Section 379 IPC r/w. Section 21(1)(2), of Mines and Minerals (Development and Regulation Act), 1957, alleging that the petitioner has illegally transported river sand in his vehicle. Admittedly, the vehicle is now in the Police Station premises and kept in the open place and exposed to the vagaries of nature and has also not been produced before the Jurisdictional Court.

7. As rightly contended by the learned counsel appearing for the petitioner, the vehicle will certainly depreciate in value, if it is allowed to remain in the open place and kept idle for a long period of time. No useful purpose will be served if the vehicle is allowed to be kept idle. In similar matters, this Court has granted release of seized vehicles to the respective petitioners subject to fulfillment of certain conditions. At this juncture, the learned Additional Government Pleader on instructions would submit that the the petitioner has some previous criminal cases. However, since the vehicle was not involved in any criminal offence earlier,

this Court is of the considered view that there is no prohibition for this Court to grant release of seized vehicle to the petitioner. Therefore, this Court is inclined to grant similar relief to the petitioner subject to fulfillment of the following conditions:-
