O R D E R

This writ petition has been filed for a Mandamus to direct the respondents to release the petitioner's Yamaha FZS Bike bearing Registration No.TN-49-BJ-8232 pertaining to the case in Crime No.282 of 2020 on the file of the second respondent herein and return the vehicle to the petitioner based on his representation dated 11.11.2020.

2. Heard Mr.K.M.Karunakaran, learned counsel appearing for the petitioner and Ms.M.Rajeshwari, learned Government Advocate appearing for the respondents.

3. By consent of both parties, the Writ Petition is taken up for final disposal at the admission stage itself.

4. It is the case of the petitioner that he is the owner of the Yamaha FZS Bike bearing Registration No.TN-49-BJ-8232. According to him, on 31.10.2020, his relative has approached him to take the vehicle of the petitioner for his personal work and on 31.10.2020, the said relative had loaded the vehicle of the petitioner with sand illegally. During the inspection conducted by the second respondent, the Yamaha FZS Bike bearing Registration No.TN-49-BJ-8232 belonging to the petitioner was seized and the second respondent registered a F.I.R. in Crime No.282 of 2020 for the offence punishable under Section 379 of IPC and Section 21(1) of Mines and Minerals (Development and Regulation) Act, 1957. The petitioner's vehicle was seized by the second respondent Police on the same day. According to the petitioner, ever since the seizure, the said vehicle is still in the custody of the Police.

5. It is also the contention of the petitioner that the vehicle has also not been produced by the second respondent Police before the concerned Jurisdictional Court. According to him, the seized vehicle is now kept idle in the Police Station premises in the open place and exposed to the vagaries of nature, resulting in the vehicle depreciating in value.

6. According to the petitioner, he gave a representation to the respondents on 11.11.2020 for releasing of the seized vehicle back to him. According to him, the second respondent has failed to respond to the said representation. In such circumstances, he has filed this Writ Petition seeking for release of the seized vehicle.

7. Admittedly, the vehicle was seized by the second respondent on 31.10.2020 and a case has been registered in Crime No.282 of 2020 for the offence punishable under Section 379 of IPC and Section 21 (1) of Mines and Minerals (Development and Regulation) Act, 1957 alleging that the vehicle is involved in transportation of sand. Admittedly, the vehicle is now in the Police Station premises and kept in the open place and exposed to the vagaries of nature and has also not been produced before the Jurisdictional Court.

8 As rightly contended by the learned counsel appearing for the petitioner, the vehicle will certainly depreciate in value, if it is allowed to remain in the open place and kept idle for a long period of time. No useful purpose will be served if the vehicle is allowed to be kept idle. In similar matters, this Court has granted release of seized vehicles to the respective petitioners subject to fulfillment of certain conditions. Therefore, this Court is inclined to grant the relief to the petitioner, subject to fulfillment of the following conditions:-

(i) the petitioner shall execute a bond for a sum of **Rs.5,000/- (Rupees Five Thousand only)** in favour of the first respondent within a period of two weeks from the date of receipt of a copy of this order;

<https://hcservices.eco.nic.in/hcservices/> the petitioner shall not alienate or encumber the

vehicle in question till the proceedings are completed;
(iii) the petitioner shall not change the colour and scheme of the vehicle;
(iv) the petitioner shall not use the vehicle for any illegal activities;
(v) before releasing the vehicle, the police authority shall take photographs of the vehicle at the cost of the petitioner;
(vi) The petitioner shall produce all xerox copies of the documents pertaining to the ownership of the seized vehicle to the first respondent; and
(vii) As and when the respondents call for the vehicle for enquiry, the petitioner has to produce the vehicle in question and he shall cooperate with the enquiry to be conducted by the respondents.

9. Upon completion of the above mentioned formalities, the respondents shall release the Yamaha FZS Bike bearing Registration No.TN-49-BJ-8232 to the petitioner forthwith and without any delay. If this undertaking given by the petitioner is breached, the petitioner will not be entitled for interim release of the vehicle in the future.

10. The Writ Petition is disposed of accordingly. There shall be no order as to costs.
