O R D E R

This writ petition has been filed for a Mandamus seeking for a direction to the petitioner's vehicle, namely Hero Splendor Plus - two Wheeler, bearing Registration no.TN 65 AX 4251 and to hand over the above vehicle to the petitioner forthwith, by considering the petitioner's representation dated 17.11.2020 within the time limit that may be stipulated by this Court.

2. By consent of both parties, the Writ Petition is taken up for final disposal at the admission stage itself.

3. It is the case of the petitioner that she is the owner of the Hero Splendor Plus - two Wheeler, bearing Registration No.TN 65
<https://hcservices.ecourts.gov.in/hcservices/>

AX 4251. According to her, on 26.10.2020, the second respondent police registered a F.I.R. in Crime No.319 of 2020 for the alleged offences under Section 21(1) of Mines and Minerals (Development and Regulation) Act, 1957 on the allegation that the petitioner's vehicle was involved in transportation of sand illegally. The petitioner's vehicle was seized by the second respondent Police on the same day. According to the petitioner, ever since the seizure, the said vehicle is still in the custody of the Police.

4. It is also the contention of the petitioner that the vehicle has also not been produced by the second respondent Police before the concerned Jurisdictional Court. According to her, the seized vehicle is now kept idle in the Police Station premises in the open place and exposed to the vagaries of nature, resulting in the vehicle depreciating in value.

5. According to the petitioner, she gave a representation to the respondents 1 & 2 on 17.11.2020, seeking for the release of the seized vehicle back to her. According to her, the respondents have failed to respond to the said representation. In such circumstances, she has filed this Writ Petition seeking for release of the seized vehicle.

6. Admittedly, the vehicle was seized by the second respondent on 26.10.2020 and a case has been registered in Crime No.319 of 2020 for the offence punishable under Section 21(1) of Mines and Minerals (Development and Regulation) Act, 1957 alleging that the vehicle is involved in transportation of sand illegally. Admittedly, the vehicle is now in the Police Station premises and kept in the open place and exposed to the vagaries of nature and has also not been produced before the Jurisdictional Court.

7. As rightly contended by the learned counsel appearing for the petitioner, the vehicle will certainly depreciate in value, if it is allowed to remain in the open place and kept idle for a long period of time. No useful purpose will be served if the vehicle is allowed to be kept idle. In similar matters, this Court has granted release of seized vehicles to the respective petitioners subject to fulfillment of certain conditions. Therefore, this Court is inclined to grant the relief to the petitioner, subject to fulfillment of the following conditions:-

- (i) the petitioner shall execute a bond for a sum of **Rs.5,000/- (Rupees Five Thousand only)** in favour of the first respondent within a period of two weeks from the date of receipt of a copy of this order;
- (ii) the petitioner shall not alienate or encumber the vehicle in question till the proceedings are completed;
- (iii) the petitioner shall not change the colour and scheme of the vehicle;

- (iv) the petitioner shall not use the vehicle for any illegal activities;
- (v) before releasing the vehicle, the police authority shall take photographs of the vehicle at the cost of the petitioner;
- (vi) The petitioner shall produce all xerox copies of the documents pertaining to the ownership of the seized vehicle to the first respondent; and
- (vii) As and when the respondents call for the vehicle for enquiry, the petitioner has to produce the vehicle in question and she shall cooperate with the enquiry to be conducted by the respondents.

8. Upon completion of the above mentioned formalities, the respondents shall release the Hero Splendor Plus - two Wheeler, bearing Registration no.TN 65 AX 4251 to the petitioner forthwith and without any delay. If this undertaking given by the petitioner is breached, the petitioner will not be entitled for interim release of the vehicle in the future.

9. The Writ Petition is disposed of accordingly. There shall be no order as to costs.
