O R D E R

This writ petition has been filed for a Mandamus to direct the respondents to release the petitioner's Eicher bearing Registration No.TN-72-BK-3610 seized by the third respondent on 07.12.2020, to the petitioner.

2. Heard Mr.T.Lenin Kumar, learned counsel appearing for the petitioner and Mrs.V.P.M.Vaishnavi, learned Government Advocate appearing for the respondents.

3. By consent of both parties, the Writ Petition is taken up for final disposal at the admission stage itself.

4. It is the case of the petitioner that he is the owner of the Eicher bearing Registration No.TN-72-BK-3610. According to him, on 07.12.2020, the third respondent seized the petitioner's vehicle on the allegation that the same has been used for the illegal

transportation of ½ unit of sand and thereafter, registered a case in Crime No.643 of 2020 for the offence under Section 379 of IPC r/w Sections 21(1) & 21(2) of Mines and Minerals (Development and Regulation) Act, 1957. The petitioner's vehicle was seized by the third respondent Police on the same date.

5. It is the contention of the petitioner that the Eicher bearing Registration No.TN-72-BK-3610 has also not been produced by the third respondent Police before the concerned Jurisdictional Court. According to the petitioner, the seized vehicle is now being kept in the open place and due to exposure of sun and rain and the vagaries of nature, the vehicle will lose its value and may, ultimately become a wreck and worthless. In such circumstances, this Writ Petition has been filed seeking for release of the said Eicher bearing Registration No.TN-72-BK-3610.

6. The petitioner has also given a representation on 07.12.2020 to the respondents seeking for release of the said Eicher bearing Registration No.TN-72-BK-3610. According to the petitioner, the said representation has not been considered by the respondents till date. As rightly contended by the petitioner, if the said vehicle, which was seized by the third respondent, is kept in the open place, it will not be useful to anyone in the near future and if it is continued to remain in the open, it has to face the vagaries of nature and ultimately will become a wreck and worthless. However, whether the petitioner has committed the alleged offence or not can be adjudicated only after trial before the Criminal Court. Till such time, the vehicle cannot be kept idle. Therefore, this Court is inclined to grant similar relief to the petitioner subject to fulfillment of the following conditions:-

- (i) the petitioner shall execute a bond for a sum of **Rs.25,000/- (Rupees Twenty Five Thousand only)** in favour of the second respondent within a period of two weeks from the date of receipt of a copy of this order;
- (ii) the petitioner shall not alienate or encumber the vehicle in question till the proceedings are completed;
- (iii) the petitioner shall not change the colour and scheme of the vehicle;
- (iv) the petitioner shall not use the vehicle for any illegal activities;
- (v) before releasing the vehicle, the police authority shall take photographs of the vehicles at the cost of the petitioner;
- (vi) the petitioner shall produce all xerox copies of the documents pertaining to the ownership of the seized vehicle to the second respondent; and
- (vii) as and when the respondents call for the vehicle for enquiry, the petitioner has to produce the vehicle in question and he shall cooperate with the enquiry to be conducted by the respondents.

7. Upon completion of the above mentioned formalities, the respondents shall release the Eicher bearing Registration No.TN-72-BK-3610 to the petitioner forthwith and without any delay. If this undertaking given by the petitioner is breached, the petitioner will not be entitled for interim release of the vehicle in the future. As far as confiscation proceedings initiated against the seized vehicle is concerned, the same can go on without any interference.

8. The Writ Petition is disposed of accordingly. However, there shall be no order as to costs.
