These petitions were originally posted for appearance of the respondents 1 and 3 on 18.12.2019. In the case status report, it appears as if the case is posted today [ie., 12.12.2019] for hearing and on that basis, the parties appeared. The purpose of appearance of the parties was to get the details of the legal heirs of the second respondent who is said to be the brother of the third respondent.

2.The third respondent is present along with his son. According to him, the legal heirs of the second respondent are married and living in a distant place in the northern India like Bombay and they are not able to give the correct address. On enquiry by this Court, this Court found that they are not in a position to give correct address as to where actually the legal heirs are living, since they already left the place after marriage.
