For Respondents : Mr.C.Ramar
Additional Government Pleader

O R D E R

This writ petition has been filed for a Mandamus to direct the respondents, to release the petitioner's Bullock Cart, seized by the third respondent dated 29.11.2020 on the file of the basis of the petitioner's representation dated 04.12.2020.

2. Heard Mr.U.Umamaheswaran, learned counsel appearing for the petitioner and Mr.C.Ramesh, learned Special Government Pleader appearing for the respondents.

3. By consent of both parties, the Writ Petition is taken up for final disposal at the admission stage itself.

4. It is the case of the petitioner that he is an agriculturalist and he is having a bullock cart for the purpose of carrying goods for agricultural activities. According to him, on 29.11.2020, the petitioner's bullock cart was seized by the third

respondent police on the allegation that the same was used for illegal transportation of $\frac{1}{4}$ unit of sand without any valid license and the third respondent Police seized the bullock cart and registered a case in Crime No.1480 of 2020 for the offence punishable under Section 379 of I.P.C. r/w Section 21(1) of Mines and Minerals (Development and Regulation) Act, 1957 alleging that the petitioner has transported $\frac{1}{4}$ unit of sand in his bullock cart. According to him, his bullock cart was seized by the third respondent Police on the same day. According to him, ever since the seizure, the said bullock cart is still in the custody of the third respondent Police and till date, no confiscation proceedings have been initiated against the seized bullock cart.

5. It is also the contention of the petitioner that the bullock cart has also not been produced by the third respondent Police before the concerned Jurisdictional Court. According to the petitioner, the seized bullock cart is kept in the Police Station premises in the open place and exposed to the vagaries of nature, resulting in the bullock cart depreciating in value.

6. According to the petitioner., he gave a representation to the second respondent on 04.12.2020 for releasing of the seized bullock cart back to him. According to him, the respondents have failed to respond to the said representation. In such circumstances, he has filed this Writ Petition seeking for release of the seized bullock cart.

7. Admittedly, the bullock cart was seized by the third respondent on 29.11.2020 and a case has been registered in Crime No.1480 of 2020 for the offence punishable under Section 379 of IPC r/w 21(1) of Mines and Minerals (Development and Regulation Act), 1957 alleging that the petitioner has transported $\frac{1}{4}$ unit of sand in his bullock cart. Admittedly, the bullock cart is now in the Police Station premises and kept in the open place and exposed to the vagaries of nature and has also not been produced before the Jurisdictional Court.

8. As rightly contended by the learned counsel appearing for the petitioner, the bullock cart will certainly depreciate in value, if it is allowed to remain in the open place and kept idle for a long period of time. No useful purpose will be served if the bullock cart is allowed to be kept idle. In similar matters, this Court has granted release of seized vehicles to the respective petitioners subject to fulfillment of certain conditions. Therefore, this Court is inclined to grant similar relief to the petitioner subject to fulfillment of the following conditions:-

- (i) the petitioner shall execute a bond for a sum of **Rs.3,000/- (Rupees Three Thousand only)** in favour of the first respondent within a period of two weeks from the

<https://hcservices.ecourts.gov.in/hcservices/> date of receipt of a copy of this order;

- (ii) the petitioner shall not use the bullock cart for any illegal activities;
- (iii) before releasing the bullock cart, the police authority shall take photographs of the bullock cart at the cost of the petitioner; and
- (iv) As and when the respondents call for the bullock cart for enquiry, the petitioner has to produce the bullock cart in question and he shall cooperate with the enquiry to be conducted by the respondents.

9. Upon completion of the above mentioned formalities, the respondents shall release the bullock cart to the petitioner forthwith and without any delay. If this undertaking given by the petitioner is breached, the petitioner will not be entitled for interim release of the bullock cart in the future.

10. The Writ Petition is disposed of accordingly. There shall be no order as to costs.
