O R D E R

The learned counsel for the respondents submitted that the reimbursement amount of Rs.1,19,584/- has been disbursed to the petitioner. In order to verify the said submission, an opportunity was given to the petitioner on 24.01.2020.

2. When the matter called today, the learned counsel for the petitioner seeks further time to verify the payment made by the respondents. However, this court is of the view that since the respondents themselves have stated the entire amount has been disbursed, such a statement can be recorded and liberty also can be granted to the petitioner to work out her remedies, in accordance with law, if the amount settled is not in accordance with the directions of this Court.

3. In the light of the above observations, the submission of the respondent counsel that the entire reimbursement amount has been disbursed to the petitioner is hereby recorded and liberty is granted to the petitioner to challenge such disbursement in accordance with law. As such, there is no disobedience of the order of this Court, which could be termed as willful. Hence, this Contempt Petition is closed. In view of the order passed in main Contempt petition, Sub Application (MD) No.14 of 2020 is also closed.
