COMMON ORDER

The petitioners herein are aggrieved against the measurement of height conducted by the respondents in the recruitment for the posts of Grade-II Constable. Pending writ petitions, this Court had permitted the petitioners herein to participate in a re-measurement test, which came to be conducted on 11.12.2019. Pursuant to the re-measurement, the petitioners were not still satisfied with the re-measurement and therefore, this Court by order dated 16.12.2019, permitted the petitioners to view a video recording of the re-measurement conducted on 11.12.2019 in the presence of the Registrar (Judicial) of this Court. Accordingly, the learned counsel for the petitioners were present before the Registrar (Judicial) and the re-measurement was viewed. Pursuant to the same, the Registrar (Judicial) has submitted a report dated 17.12.2019, in which, the petitioners' measurements were recorded as follows:

2.In view of the objections raised by the learned counsel for the petitioners with regard to the re-measurement viewed through video recording before the Registrar (Judicial), I personally reviewed the video recording today and I did not find any infirmity in the re-measurement conducted for determining the height of the petitioners herein. Hence, no interference is required to the impugned disqualification slip given by the respondents herein. Accordingly, these writ petitions stand dismissed.
