

122 IN THE HIGH COURT OF PUNJAB AND HARYANA AT
CHANDIGARH

CR No. 478 of 2020

Date of Decision: 23.01.2020

Kartar Singh

.... Petitioner

Versus

Director of School Education, Mohali and others

... Respondents

CORAM: HON'BLE MR. JUSTICE ANIL KSHETARPAL

Present: Mr. Arjun Veer Sharma, Advocate
for the petitioner.

ANIL KSHETARPAL, J. (ORAL)

The challenge in the present revision petition is to the order passed by the learned trial Court allowing application for permission to amend the written statement filed by Director of School Education. Learned trial Court has observed that the defendant wants to assert that as per “notification under Rule b (iii) of The Punjab Recruitment of Ex-Servicemen Rules 1982, the plaintiff is not entitled to count his service towards military from 1972 to 1979 and benefit was extended due to lack of knowledge thereof.” Learned counsel for the petitioner submits that through amendment, certain admissions made by the defendant have been withdrawn.

In the considered view of this Court, this aspect can be examined by the Court while finally adjudicating the suit.

Hence, there is no ground to interfere.

Dismissed.
