SANJAY GUPTA VS SONYA GUPTA AND ORS

Present : By order.

Case taken up through video conferencing.

The application has been received by the Civil Judge (Junior Division), Gurugram for extension of time to decide the suit.

This Court in CR No.4852 of 2018, on 13.02.2020 had directed the trial Court to dispose of the suit expeditiously preferably within a period of one year from the date of the order. It is stated in the application that due to Covid-19 pandemic, physical hearing was not permissible in the Courts and therefore, the case could not be decided within the stipulated period and a request for extension of time to decide the case has been sought.

For the reasons stated in the application, the same is allowed and nine months more time from now is granted to the trial Court to decide the suit.
