CM-9334-CII-2020

The applicants-petitioners have filed this application to withdraw the revision petition as the parties have arrived at a settlement by way of written Settlement Deed dated 29.7.2020 (Annexure P-1). Learned counsel for the applicants-petitioners has submitted that pursuant to the settlement between the parties, the possession of the property in question has been handed over to the landlady and therefore, he may be permitted to withdraw this petition.

Notice of application.

At this stage, Mr. Rohit Nagpal, Advocate accepts notice on behalf of the respondent and states that indeed the dispute between the tenant and landlady stands amicably settled and he has no objection, if the petition is allowed to be withdrawn.
