Learned State counsel, assisted by learned counsel for the complainant, has heavily opposed the prayer for bail on the ground that the victim remained admitted in DMC, Ludhiana for a period of 46 days and an amount of Rs.20.00 lacs was spent on his treatment and even now he is under treatment, due to the injuries suffered by him on vital parts of the body. It is further submitted that the victim has again been advised to undergo surgery of vocal cord, as he is unable to speak and more than Rs.15,000/- are spent on his medicines every month.

Learned counsel for the complainant has additionally argued that just one week before the incident, in which the petitioner has caused the injury, invoking Section 307 IPC, which was declared dangerous to life by the doctor, the victim was about to appear for his physical examination in the Indian Army and therefore, he has lost all his future prospects.

After hearing learned counsel for the parties and considering the aforesaid facts and circumstances, I find no ground to grant regular bail to the petitioner.

Accordingly, the present petition is dismissed.
