... Respondents

CORAM : HON'BLE MR.JUSTICE G.S. SANDHAWALIA

Present: Mr. Parveen Kaushik, Advocate for the petitioner (s).

(The proceedings are being conducted through
video conferencing, as per instructions.)

G.S. Sandhawal, J. (Oral)

In the present petition filed under Articles 226/227 of the Constitution of India the petitioner seeks issuance of directions to the respondents to make the payment of compensation of the land acquired vide notification dated 12.05.1995 in the revenue estate of Bahadurgarh.

The petitioner himself has attached the order dated 26.08.2019 (Annexure P-4) whereby his execution petition was dismissed as fully satisfied. As per the order itself, the compensation amount as per revised statement number 19 has already paid to the decree holder and the amount was stated to be transferred in his account. The order reads as under:-

“Sh. Amit Clerk, in person on behalf of respondent no.2 i.e. LAO and stated at bar that the amount of compensation of share of DH has already been transferred in his account. He has produced the documents in support of his contention. As the compensation amount as per revised statement number 19 has already been paid to the DH. The Execution Petition is dismissed as fully satisfied.

File be consigned to the record room, after due compliance.”

It is the contention of the counsel for the petitioner that the amount has not been transferred in the account of the petitioners. It is also contended that the land measuring 8 bighas 7 biswas had been acquired, whereas compensation was only given for 1 bigha 16 biswas.

If that is the position, it is always open to the petitioner to file an appropriate application before the Executing Court, bringing the details as such of the amount of compensation which allegedly has not been paid qua the remaining land, if any.

Faced with this situation, counsel does not press the present petition.

Accordingly, the present petition is dismissed as not pressed with the liberty to approach the Executing Court for the necessary relief.
