This application is filed under Order 6 Rule 17 of the CPC for seeking permission to amend the writ petition and to place on record certain revenue documents which were omitted to be appended with the writ petition.

Though reply to the application has been filed and the application is contested by the non-applicants/respondents but after brief hearing of the matter, we are of the considered opinion that it would be just and expedient if the petitioner is permitted to file the writ petition again by

appending all the documents which are necessary instead of allowing the present application.

Consequently, the application is disposed of as not pressed but the main writ petition is hereby allowed to be withdrawn by the petitioner to file it again with better particulars especially by attaching all the documents which are relevant to the controversy.
