**HARNARESH SINGH GILL, J. (ORAL)**

Case is taken up for hearing through video conferencing.

This is a petition under Article 227 of the Constitution of India for setting aside the order dated 16.8.2019, vide which the application moved by the petitioner for appointment of Local Commissioner, has been dismissed.

Learned counsel for the petitioner states that so far as the judgment passed by the Division Bench of this Court in ***Pritam Singh and another versus Sunder Lal and others, 1990 (2) PLR 1991***, is concerned, the case of the petitioner is totally different from the said case. He further submits that in that case, the challenge was to the order passed by the trial Court whereas in the present case, the order has been passed by the Appellate Court. He further submits that the only remedy left to the petitioner was to file the application for appointment of Local Commissioner. He has relied upon the judgment of this Court in the case of

***Brijlal versus Sajjan Singh and others 2019 (3) R.C.R. (Civil) 845.***

I have heard the learned counsel for the petitioner.

This Court is not inclined to digest the arguments raised by the learned counsel for the petitioner, keeping in view the law laid down by the Division Bench of this Court in ***Pritam Singh***'s case (supra). The judgment relied upon by the petitioner is not based on the law laid down in ***Pritam Singh***'s case (supra).

Keeping in view the said facts and the law laid down in ***Pritam Singh***'s case (supra), the impugned order dated 16.8.2019 does not call for any interference.

The petition is dismissed.
