CORAM: HON'BLE MR.JUSTICE HARI PAL VERMA.

**Present: Mr. Ajay Kamboj, Advocate,

HARI PAL VERMA, J.(Oral)

The matter has been taken up for hearing through video conferencing due to outbreak of COVID-19.

Petitioners have filed the present criminal writ petition under Articles 226/227 of the Constitution of India, for issuanace of a writ in the nature of mandamus, directing the respondent Nos.2 and 3 to take action on their representation dated 06.03.2020(Annexure P-3).

Persual of the representation dated 06.03.2020(Annexure P-3) shows that the petitioners and the private respondents are neighbours and the respondent No.4 has connected his rain water pipe with the sewerage line and connected it with the drainage of the complainant's house. As and when the respondent No.4 and his family members clean their multi-storey house and during the rainy season, the whole water floods into the house of the petitioners, leading to over-flow of the drainage pipes of the petitioners,

which ultimately cause great inconvenience in their peaceful life and cause stinky smell and diseases.

In the background of allegations, this Court does not find any reason to interfere in the writ jurisdiction.

Accordingly, the present criminal writ petition is dismissed.
