Ms. Monica Chhibber Sharma, Sr. DAG, Punjab.

Learned Senior counsel appearing for the applicants-petitioners submits that the conditions, which have been imposed for adjusting the petitioners as reproduced in the order dated 14.10.2020 passed by this Court are acceptable to them but, as per the condition Nos.3(i) and (ii), as reproduced in the order passed by this Court, it is likely that while adjusting the petitioners, they will be granted new pay scales. This Court has not restrained the petitioners from approaching the Government in any manner. Court, the respondent-State will not consider their claim for modification of any of the condition imposed for their adjustment, is without any justification. The issue of absorption and the conditions imposed for the same is between the applicant-petitioners and the Government. If the Government feels that any of the condition already imposed upon the applicants-petitioners for their adjustment against the vacant posts needs to be modified, reviewed or withdrawn, it has full jurisdiction to do so even, after the present writ petition is disposed of on 14.10.2020 depicting the acceptance of the conditions imposed for their adjustment.

Learned State counsel submits that in case, the petitioners have any grievance, a liberty has already been given to them to approach the Government by filing a representation and all the pleas raised in the representation will be considered and decided by the Government, as already directed by this Court, by passing an appropriate order.

Learned counsel appearing for the applicants-petitioners submits that keeping in view the above, they do not press the present review applications any further and the same may be disposed of as such.

The applications stand disposed of as having been not pressed.

A photocopy of this order be placed on the file of connected cases.
