Counsel for the appellant prays for another date to deposit Rs.25,000/-, in terms of order dated 08.05.2019.

The appeal is pending since 2016 and till date, the appellant has not deposited the statutory amount. The first order with regard to deposit was made on 08.05.2019 and almost ten months have passed since then. There is no justification for allowing another opportunity to the appellant to deposit the statutory amount.

In view of the above, the appeal stands dismissed for want of necessary deposit.
