of the directions of this Court and the undertakings made by the respondent management/school.

4. Mr. Jasmeet Singh, the learned counsel for the respondent management/school states, upon instructions, that the school has been burdened with the 6th Pay Commission enhancement and presently their revenue generation is lesser than their liabilities. He states that they have paid 50% of the salaries to the employees for the month of November, 2019 and salaries of three months is outstanding. He submits that two months' salary shall be paid by 15.03.2020 in two equal instalments i.e. salary upto 15.12.2019 shall be paid by 28.02.2020 and salary upto 15.01.2020 shall be paid by 15.03.2020. The remaining salaries, i.e., for half of January, February and March, 2020 shall be paid by 22.04.2020. He further submits that this time is sought only because some funds are expected in the month of April, 2020 when new academic year starts. It is, however, noted that no extension of time shall be granted on the ground that the management has not been able to generate sufficient funds in April or so.

5. The learned counsel for the petitioners states, upon instructions, that the aforesaid arrangement is acceptable to the petitioners. The parties shall be bound by the terms of this arrangement.

6. The petitions are disposed off in the above terms.
