ORDER
% **04.03.2020**

The facts of this writ petition are virtually identical to the facts raised in the writ petition being W.P.(C) No.2536/2020, title '**Satpal Singh v. Union of India & Ors.**'.

This court has today disposed of the aforementioned writ petition. For the same reasons as given in the said writ petition i.e. W.P.(C) 2536/2020, the present writ petition and all pending applications are also disposed of with the following directions:

“6. Let the petitioner move an application for demarcation of his land measuring 10 biswas before the concerned Tehsildar within four weeks from today. On receipt of such an application, the concerned Tehsildar will demarcate the area of the land of the petitioner, namely, 10 biswas of land within three months from the date of receipt of the application. The

petitioner is free to occupy the said land as per law. In case, there is any encroacher on the land, it would be for the petitioner to take steps as per law against the said encroacher.”
