(Video Conference Hearing)

By the instant application, the applicant seeks interim bail in order to attend to his mother who is stated to be having issues in her knees. As per the status report, the applicant is shown to be involved in at least 9 cases *inter alia* of robbery at different police stations. No emergent situation to attend to the mother of the applicant emerges from the available record.

Taking into account the totality of facts and circumstances, I am not inclined to grant the application and the same is rejected.
