Admittedly, the petitioner has not filed an application seeking early hearing of her application under Section 24 of the Hindu Marriage Act, 1955 as also application seeking visitation rights towards the child, through video conferencing, before the Family Court.

The present petition is disposed of granting liberty to the petitioner to file such application before the learned Family Court.

As and when the application is filed, the same be taken up by the concerned Family Court expeditiously for hearing.

I may note that the learned counsel for the respondent, who appears on an advance notice, submits that the respondent has no objection to join in such hearing through video conferencing.
