1. None appears for the petitioner despite passover. The record shows that on 10.01.2020 also the petitioner was unrepresented before the learned Registrar, who after noticing the fact that despite last opportunity being granted, the petitioner had not taken any steps for service on the respondent and did not appear diligent in pursuing the writ petition, listed this matter for today before this Court, I have no reason to differ with the opinion of the learned Registrar.

2. The Writ Petition is dismissed in default and for non-prosecution.
