CORAM:

HON'BLE MS. JUSTICE REKHA PALLI

ORDER

%

14.02.2020

1. This is a petition seeking review of the order dated 14.01.2020 passed by this Court, whereunder the writ petition preferred by the review petitioner was dismissed. Consequently the award passed by the learned Labour Court allowing the respondent's claim was upheld.
2. The grounds urged in support of the review petition show that the petitioner is now seeking to rely on fresh calculations, which were admittedly never placed on record, at any stage, either before the Labour Court or before this Court. It is thus evident that the petitioner is primarily trying to re-argue the matter on merits, which is beyond the scope of review.
3. The review petition stands dismissed.
