CORAM: HONOURABLE MR. JUSTICE SUDHIR SINGH
ORAL ORDER

5 07-01-2021

Heard both parties.

The following relief has been sought for in the present
application on behalf of the petitioner :

1(i) Let a mandamus be issued to treat the
petitioner to have retired voluntarily with effect
from 30th April 2017 as mentioned in the notice
under Rule 74 (b)(i) of Bihar Service Code as a
consequential to such retirement, the respondents be
directed to pay pension, leave salary, D.C.R.G. etc.

The present writ application has been filed challenging the order, by which the application of the petitioner under V.R.S. was not accepted by the authority.

It has been submitted that the petitioner has already superannuated during the pendency of the present writ application. The Counsel for the petitioner submits that to that extent the present writ application has become infructuous, but he further points out that his reliefs relating to A.C.P. and other retiral benefits are still to be redressed by the respondents.

Considering the submissions made on behalf of the petitioner, the petitioner is directed to file a detail representation in respect of the post retiral benefits before the competent authority. On filing of such representation, the competent authority shall consider the representation of the petitioner and pass an appropriate order in accordance with law within a period of eight weeks from the date of filing of such representation.

With the aforesaid observation and direction, the present writ application stands disposed of.
