CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR SINGH
ORAL ORDER

4 22-11-2021 Heard learned counsel for the petitioner, the State and

the informant and perused the case diary.

The petitioner seeks regular bail registered for the
offences punishable under sections 302/34 of the Indian Penal
Code.

As per the prosecution case, when the informant got
information that her father and her brother have been killed by
the petitioner and other accused persons, all named in the FIR,
in village Gara, she reached there and saw that both the dead
bodies were lying near the dam of the river in the pool of blood
sustaining sharp cut injuries over neck, head, back and other
parts of the body.

Learned counsel for the petitioner submits that the
petitioner and deceased are co-sharers and there was land
dispute between them due to which all the family members of
the petitioner has falsely been roped in this case. Informant is
not the eye witness of the occurrence and none of the

independent witnesses have supported the prosecution case during course of investigation. Petitioner is in custody since 22.10.2020.

Learned counsel for the State as well as the informant oppose the prayer for bail. They submit that apart from the direct allegation against the petitioner and other accused persons in the FIR, during course of investigation also, material has been collected to the effect that there was hostile relation between the petitioner's family and the deceased because of land dispute leading to murder of father and brother of the informant by the accused persons which is also supported by the post mortem report. More so, prayer for bail of one of the similarly situated co-accused Veer Kunwar Singh has already been rejected by a co-ordinate bench of this Court vide Cr.Misc.No. 16288/2021.

Considering the nature of accusation against the petitioner and the material collected during course of investigation, his prayer for bail is refused.
