CORAM: HONOURABLE MR. JUSTICE ANIL KUMAR UPADHYAY
ORAL ORDER

4 04-02-2021 This batch of writ applications involve common question of fact and law and with the consent of the parties, all the writ applications are disposed of by this common order.

2. The petitioners have filed the present writ applications, aggrieved by the action of the respondents, altering pay fixation adverse to the petitioners without opportunity of hearing.

3. In C.W.J.C. No. 7217 of 2020 a counter affidavit has been filed on behalf of respondent no.3. The DPO in his counter affidavit has taken the stand. The stand of the respondents extract from the statement at paragraphs 9 to 18 is quoted below:-

“9. That the State Government issued resolution No.1530 dated 11.8.2015 by which the teachers have been give pay scale instead of fixed salary.

10. That in order to make the things crystal clear and intelligible certain relevant facts are essential to be brought to the notice of the Hon’ble Court for proper appreciation and adjudication of the matter in its correct perspective.

i. In continuation of Government resolution No. 1530 dated 11.8.2015 the Education Department, Government of Bihar issued a resolution No. 1632 dated 21.6.2017 by which the pay scale-grade pay of Primary, Secondary and Higher Secondary teachers were revised.

ii. Besides, other details mentioned therein it was decided to grant revised scale to the teachers and librarians, recruited under Panchayat Raj Institutions and Urban bodies on the basis of pay matrix as is evident from clause 3 (ii) of the said resolution.

11. That in order to meet certain queries of the Regional Offices in order to implement Departmental resolution No. 1632 dated 21.6.2017 an workshop was organized in Departmental Conference Hall on 13.07.2019.

12. That after due deliberation and consultation with Finance Department, office order, contained in Memo No. 1900 dated 04.10.2019 were issued, where in clause 3 (iv), it was specifically clarified that earlier there was provision to sanction pay grade to untrained recruited teachers on the completion of two years service or after completing in service training whichever is later. It was clarified therein that such untrained teachers who were getting basic scale of pay of which Index of level -1 on the date of sanction of grade pay, they would be entitled for admissible basic pay of resemble index of level 2, 3

and 4 (As has been pay in the pay matrix) which would not be more than Index -3 of level 2, 3 and 4.

The photo stat copy of the order dated 04.10.2019 contained in memo no. 1900 is being annexed herewith and is marked as **Annexure-C**.

13. That it is relevant to mention here that the salary of untrained teachers were less than trained teachers since inception of the said recruitment rules. The Department has made provision for in-service training of such untrained teachers. The fixation of salary of such teachers were restricted to Index 3 in order to maintain the difference between the salary of trained teachers and those untrained teachers, who got in-service training and recruited in same transaction of recruitment.

14. That in certain districts the pay scale was fixed beyond Index 3, i.e. at Index 4, 5 and 6 as has been done in the case of the present petitioners and in order to rectify such error, the Director, Secondary Education has invited attention and issued necessary direction to all the District Education Officers vide his letter No. 754 dated 20.04.2020. It was also directed that if the error is not rectified by 15.05.2020 he shall also be held liable.

The photo stat copy of the letter no. 754 dated 20.04.2020 is being annexed herewith and is marked as **Annexure-D**.

15. That the District Programme Officer (establishment) , Kaimur (Bhabhua) vide his letter no.700 dated 21.04.2020 directed all the Block Education Officers to implement the letter no. 754 dated 20.07.2020 issued by the Director , Secondary Education to rectify the error, if any.

16. That it is humbly stated that there is no legal infirmity in the letter no. 754 dated 20.04.2020 or the follow up order dated 21.04.2020 issued by the District Programme Officer (establishment) by which he has simply directed the Block Education Officers to implement clause -3 (iv) of letter no. 1900 dated 04.10.2019 strictly (Annexure -B to the counter affidavit).

17. That it is further submitted that the issue of granting benefit of trained scale came for consideration before this Hon'ble Court in C.W.J.C. No.16165 of 2019 and other cases in which by order dated 09.08.2019 Hon'ble Court was pleased to direct The Director, Secondary Education to take necessary decision for granting petitioner w.e.f. date of completion of their training i.e. May 2017. Necessary decision in this regard with all consequential monetary benefits must be taken by Director, Secondary Education within 60 days from the receipt / production of the order.

18. That thereafter by memo no. 547 dated 22.06.2020 the Director, Primary Education passed an order in pursuance of order dated 09.08.2019 passed in C.W.J.C. No. 16165 of 2019

by which decision was taken that those untrained teachers who were admitted in session 2013-15 and had completed their training in May 2017 and have passed their examination in March 2019 shall be given trained pay scale from the date of completion of training notionally and shall be provided monetary benefits from the date of production of result.

The photo stat copy of the memo no. 547 dated 22.06.2020 is being annexed herewith and is marked as **Annexure-E**.

4. From the averment made in the counter affidavit, the Court finds that the respondents have taken decision adverse to the interest of the petitioners on the direction issued by the Director, Primary Education contained in Memo No. 547 dated 22.6.2020. The counter affidavit does not indicate that any notice was issued to the petitioners before taking decision after direction of Director, Primary Education contained in Memo No. 547 dated 22.6.2020.

5. It is well settled that no order visiting civil and criminal consequences can be passed without opportunity of hearing.

6. From the materials available on record, the Court is of the considered view that the action of the respondents, reducing the pay scale of the petitioners in purported compliance of the direction issued by Director, Primary

Education contained in Memo No. 547 dated 22.6.2020 is unsustainable as the respondents before taking decision was not given notice to the petitioners and without notice and opportunity of hearing, the respondents have decided to reduce the pay scale of the petitioners.

7. In view of non compliance of the principles of natural justice, all the writ applications are allowed. The impugned order contained letter No. 700 dated 21.4.2020 cannot sustain. It is accordingly quashed. The quashing of the order does not preclude the respondents from taking fresh decision in accordance with law after notice and opportunity of hearing to the petitioner(s).
