CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR SINGH
ORAL ORDER

2 24-09-2021 Heard learned counsel for the petitioner and the State.

Petitioner seeks regular bail in a case registered for
the offence punishable under Section 376, 511, 448, 504, 506/34
of the Indian Penal Code and u/s 8 of the POCSO Act.

As per the prosecution case, this petitioner is alleged
to have tried to outrage the modesty of the informant and when
grand parents of the victim protested, this petitioner along with
other accused persons abused and threatened them.

Learned counsel appearing for the petitioner submits
that the informant was having love affairs with petitioner and
when the family members of informant came to know about this
fact, they filed this false case against this petitioner. It is further
submitted that the parties have compromised the case and
compromise petition has already been filed before the court

(Annexure-3 to the bail petition) below. Petitioner is in custody since 08.01.2021 and investigation in this case is complete.

Learned counsel appearing for the State opposes the prayer for bail and submits that there is direct and specific allegation against this petitioner that he tried to outrage the modesty of the informant. The informant, who is a minor, in her statement u/s 164 of the Cr. P. C. supported the prosecution case.

Considering the facts and circumstances of the case and the nature of accusation against this petitioner, I am not inclined to enlarge the petitioner on bail. Accordingly, the same is rejected.
