There is no allegation of tampering with the witnesses alleged against the petitioner. The petitioner has falsely been implicated in the present case. Neither there is any eye witness to the alleged occurrence nor there is circumstantial evidence to suggest the participation of the petitioner in the alleged occurrence. As per postmortem report, the cause of death is said to be chronic liver disease.

On behalf of the learned counsels for the State and the informant, it has been submitted that the petitioner is named in the F.I.R.

Considering the aforesaid facts and circumstances of the case, the petitioner above named, is directed to be released
