ORAL ORDER

2 27-01-2021 Heard learned counsel for the petitioners and the State

Petitioners apprehend arrest in a case registered for

the offences punishable under Section 323 and other allied

sections of the Indian Penal Code.

Prosecution's case in brief is that all the accused

persons armed with weapons assaulted the informant party as a

result of which three persons sustained injuries. Accused

persons also set two houses of the informant on fire.

Learned counsel for the petitioners submits that the petitioners have falsely been implicated in this case. There is case and counter case and marpit took place due to old land dispute. It is also submitted that there is no injury report on the record. Petitioners have got no criminal antecedent.

Learned counsel for the State opposes the prayer for bail submitting that there is specific allegation against the petitioners that they assaulted the informant side causing injuries to three persons. They also set on fire two houses of the informant.

Considering the gravity of the allegation against the petitioners, their prayer for bail is refused with direction to surrender and seek regular bail which would be considered and disposed of on its own merit without prejudice.
